Data tariff 10 and 30 are data only and cannot be connected to a voice connection.

General

Daisy Mobile tariffs include payment via Direct Debit. Where an account is accepted for non Direct Debit payment, a £5 charge per month may be applied.

Electronic billing is provided free of charge in 3 different ways. Where a customer requires paper billing, this is charged at £5 per number per month.

New numbers cannot be guaranteed prior to connection, therefore customers are advised not to advertise proposed numbers prior to confirmation of the number being connected as Daisy Mobile cannot accept liability for this.

On Master agreements, the minimum contract term including Notice Period applies to each number from the date of its individual connection to the tariff.

Charges and liabilities for any services that may be accessed via the networks or Daisy Mobile are the responsibility of the customer who should make themselves aware of any associated terms and conditions relating to those services.

All tariff offers and promotions are subject to a minimum term agreement from date of each individual connection and all offers and promotions rely on the minimum committed revenue for the duration of the term including notice periods.

Due to subsidisation, a tariff is chosen for the minimum term of the agreement and subsidised accordingly for the minimum term.

Any amendment of tariff will require a new term. Full details are available on request.

All handsets changing tariff on to a promotional term tariff will be subject to that new minimum term period.

PDF Billing is supplied free of charge. For customers with five or more handsets and Windows ability, AeroBill Lite free of charge.

Charges for copy billing: £5 per invoice, £5 per number for itemisation, £50 per month for up to 3 months copies of AeroBill Lite.

The Subscriber will pay all sums to Daisy Mobile by Direct Debit or by such other method as Daisy Mobile shall allow on or prior to the Payment Date. The acceptance of payment by any other method other than Direct Debit by Daisy Mobile may incur a monthly administration fee of £3.00 + VAT.

Data usage is measured in Megabytes (MB). 1MB=1024 KB (Kilobytes), 1024MB=1GB (Gigabyte).

For data, you are billed for the amount of data that travels over the data network. Please note that your bill may include charges for re-sent data packets and packets added to control the flow of data over the network.

Connection to all Daisy Mobile tariffs is for legal use only
